Keynote Speaker: Mediumship

Presented by Kristen Smith | kristen@mediumbestie.com

About Kristen

Kristen Smith is a **medium** and **teacher** who helps people understand what mediumship is and how it works. She holds master's degrees in **Maharishi Ayurveda** and **Instructional Design**, a bachelor's degree in **Education**, and is a **certified yoga teacher** and **Transcendental Meditation (TM)** meditator. Her work rests on a **foundation of consciousness**: the understanding that we are all connected within **one universal field of consciousness**. From that field she connects and receives messages, and she teaches others to feel that connection for themselves, whether they are **mediumship apprentices** or simply want to **connect for themselves**.

The Kristen Difference

Mediumship can be a serious, tender topic. Kristen brings warmth, a down-to-earth approach, and funny, humorous energy to it, so audiences laugh, relax, and leave feeling curious and open rather than intimidated.
